Web Developer

Erode • +91 9600298693 • surya207757@gmail.com • [LinkedIn](#) • [Github](#)

A Motivated and detail-oriented Web Developer with a strong focus on building responsive and user-friendly web applications. Experienced in developing and maintaining both front-end and back-end systems. Passionate about solving real-world problems through efficient code and continuously improving through learning and collaboration.

Technical Skills

- HTML
- CSS
- JavaScript
- Bootstrap
- React.js
- Node.js
- Express.js
- MongoDB
- Python(Basics)

Projects

E-Commerce :

[Live Link](#) 

- Built and deployed a full-stack MERN E-commerce app with JWT cookie auth, product listings, cart, and order flow for smooth user experience.
- Designed a secure admin route system allowing only the admin to add, update, or delete products via protected backend endpoints.
- Integrated responsive UI with dynamic category filters, real-time cart updates, and deployed both frontend and backend on Vercel with proper CORS and context-based state management.

Portfolio :

Personal Blog Site :

[Live Link](#) 

- Built a full-stack personal blog using the PERN stack with secure JWT auth, bcrypt hashing, and cookie-based sessions.
- Enabled user features like signup, login, and blog post CRUD with clean RESTful API integration.
- Delivered a responsive UI with smooth navigation and an engaging user experience across devices.

Experience

Durga Tech

Web Development

July 8, 2024 – August 8, 2024

- Contributed to developing and enhancing features in a real-world web application, focusing on performance, responsiveness, and cross-device compatibility.
- Actively participated in team discussions, shared ideas during reviews, and independently handled assigned frontend tasks with accountability and attention to detail.
